MLS® #202401570

**\$3,550,000**

3 Bedroom, 5.00 Bathroom,  
Residential on 10.78 Acres

N/A, Santa Fe, NM

Within minutes of the Plaza, this single level 5647 sq. ft. 3 bedroom/ 3 bathroom adobe home is located off of Circle Drive and sited on 10 premium acres with panoramic views of the Sangre de Cristo and Jemez mountain ranges.

With towering cottonwood and magical grounds, the estate was the original structure in what is now the Tesuque Ridge subdivision and is located within the gated community of Tesuque Ridge, but not a part of the Tesuque Ridge homeowner's association. In 2013, the property was renovated, beautifully melding the authentic Pueblo Revival architecture and the current, contemporary aesthetic. This impressive estate has the unique combination of a majestic AND soulful home. The property has an elegant living room with 16" beamed ceilings, oak flooring and a commanding fireplace. A beautiful glass enclosed sunroom with French doors connects the interior living space with the outdoor living areas, offering breathtaking views of the Sangres. The formal dining room continues the sophisticated Southwestern aesthetic with beamed ceilings, brick floors and a glass-enclosed wine cellar with retractable blinds, adding extra drama to this extraordinary space. The kitchen, the social heart of the home, has a contemporary feel with white Silestone countertops, stainless steel appliances, a kiva fireplace and multiple areas for gathering. In the bedroom wing, the primary bedroom suite was also re-imagined with a classic contemporary meets pueblo

aesthetic and connects to a modern bathroom with an elegant Victoria + Albert soaking tub and Jemez mountain views. The property has 2 large, guest bedrooms with ensuite bathrooms, a view-filled private office off of the main living area, and a lower level media room. Within 5 minutes of the Plaza, dramatic views, 10 acres, enchanting grounds and a completely renovated adobe estate, 11 Tesuque Ridge is a true Santa Fe treasure.

Built in 1983
