Residential on 0.20 Acres

Eastside Histor, Santa Fe, NM

Steeped in traditional character, enveloped by gardens, this beautifully-updated historic home with studio guest house and rare, one-car garage enjoys an enviable Eastside location a half mile from The Plaza. A newly remodeled Primary Bath and Powder Room, new Saltillo tile and new or refinished wood flooring are among the improvements that further refine and enhance the home’s comfort and quality. The charming studio has a tidy living area with kiva fireplace, a sleeping area with adjacent, three-quarter bath and a wee, galley kitchen. The professionally-designed grounds feel like a private park, complete with mature trees, low stone walls for seating, an elegant pergola, fountains and abundant perennial plantings. The fully-walled property includes an automated wooden gate which opens to a brick-paved courtyard with room for parking.
