Arroyo Hondo, Santa Fe, NM

This timeless and sophisticated property is situated in a quiet and horse-friendly Santa Fe location just a short distance from the Arroyo Hondo Open Space trails and the famed Harry's Roadhouse restaurant. This 2,956 sq.ft. single-story constructed home has recently been completely updated and exudes a classic Santa Fe style surrounded by 6.041 acres of fenced, gated and usable land with wraparound views of the Sangre, Ortiz and Jemez mountains. Private sitting and entertaining spaces surround the home with lush, seasonal and mature landscaping, including fruit trees in the orchard. The home consists of a primary ensuite, two secondary bedrooms, 2.5 baths, and a separate office or flex room, all with classic bricked floors and whitewashed vigas throughout. The formal living/dining area's focal point is a gas burning fireplace. The updated kitchen features a large island, quartz countertops, walk-in pantry storage, and a sweet kiva fireplace with access to the covered patio. Functional amenities include radiant floor heat, on-demand hot water and mini-split AC/heating in the owners suite and office. A studio/workshop/3rd bay garage is adjacent to the deep 2-car attached garage. A nearby concrete pad has electricity stubbed-in, ideal for a future barn or casita. Completely updated (including roof, stucco, windows, mechanicals, and a new gas stove in the island) and perfectly maintained, this is a property not to be missed in an idyllic Santa Fe location.
