3 Bedroom, 3.00 Bathroom,
Residential on 0.56 Acres

N/A, Santa Fe, NM

Located in the heart of the Eastside, this refined adobe sanctuary in the historic “Henderson Compound” was designed by architect Louise Walker and is sited on a generous 0.56-acre lot, providing both privacy and panoramic views of the Sangre de Cristo and Jemez Mountains. The artistic, Pueblo Revival style harmoniously blends traditional character and modern appointments, with primary living, all on a single level.

The design features a stunning great room with 10.7’ ceiling and a magnificent fireplace; three spacious bedroom suites; an office, den, and sunroom in the 3,738 square feet. Interiors feature wood beamed ceilings throughout, restored brick and wood floors, Italian lighting, custom wood cabinets, and large windows with exquisite treatments that fill the home with light. The gourmet kitchen is appointed with granite countertops, a new Sub-Zero refrigerator and W/D in the chef’s pantry, while all three bathrooms have been fully renovated with marble finishes. The lower level has been completely reimagined with luxury finishes, including a den/living area with a bar that opens to one of the private patios, a bedroom or second study, elegant bathroom, second W/D, and a private entrance that opens to a large patio and the orchard, for guests or personal privacy. The home is encircled by patios and walking paths, lush landscaping with flowering beds and grasses,

magnificent cedars, aspens, peach, apricot, apple and cherry trees, all are serviced by a well and a drip system. Additional amenities include energy-efficient mini-splits, an in-wall safe, two serene outdoor fountains, outdoor shed and spiral staircase that takes you to the upgraded roof offering 360° views of Santa Fe and your glorious estate. A well-lit, two-car carport and extra parking complete the home. Located just minutes from Canyon Road, this home embodies the appeal of Santa Fe with the comfort and ease of modern living.
