With 3 beds/4 baths (including 2 primary suites) and 4,875 sq. feet, plus elegant finishes like diamond plaster walls and features like ceiling beams and stained glass doorways, this home blends luxury with timeless character.

The grand entry reveals soaring ceilings with clerestory windows, and leads into the heart of the home, a grand living room that showcases city and mountain views and is anchored by a stone fireplace.

Designed by David Naylor, the kitchen is a chef's dream—fully updated with high-end appliances including Sub-Zero and Wolf, custom cabinetry, skylight, wine refrigerator, reverse osmosis system, large pantry, and a stylish breakfast nook with a gas fireplace. The Taj Royale Ceasarstone counter tops create a luxurious finish.

This home features two primary suites. The first, on its own wing and floor, offers great privacy, a spa-like bath retreat and a balcony with sweeping views. A second primary suite on the main floor is a newer addition built by Cricket Roulette and is perfect for guests or multi-generational living. Also private and peaceful, this large suite has direct access to the main portal and is fully handicap accessible, including the large shower. This

addition also features a stone alcove for art display, a family room with gas fireplace, and direct access to the outdoor kitchen.

The guest bedroom and office, on the other side of the home, share a private courtyard with a tranquil waterfall feature. This home makes living easy with ample storage spaces, walk-in closets, and a cedar closet.

Nestled in the picturesque Vista Encantada neighborhood, centrally and conveniently located between downtown and the opera, this home is an inviting blend of artful design and comfort.
