Elegance meets versatility in Santa Fe's most much desired Aldea community. This refined, single-level home with a guest-ready casita truly delivers. Traditional Santa Fe-style architecture perfectly complements the artfully designed interior, offering a seamless fusion of style, comfort, and flexibility. The main house features 3,284 +/- sqft of living space and includes three bedrooms plus a bonus media room or den, perfect for entertainment, lounging, studio or work from home needs. The chef's kitchen is polished and offers incredible functionality with recently installed Thermador appliances, a spacious informal dining nook and pantry storage. The primary suite is luxurious and only one of several tasteful retreats offered by this thoughtful floorplan. Two guest bedrooms, a large laundry/mudroom, and oversized two-car garage balance form with function. The one bedroom casita is accessed from the central courtyard and is equipped with a comfortable living space, gas burning fireplace and private kitchen area—the perfect space to host friends and family. Up an exterior flight of stairs is the rooftop deck which features 360-degree views of the Sangre de Cristo, Jemez, and Sandia mountain ranges. Outside living areas are well manicured, yet low-maintenance, and are watered by a 4-zone irrigation system.
