Classic Santa Fe style in the Historic Eastside harking back to the 1930â€™s. This property was originally a single residence that has been converted into two 2 Bedroom, 1 Bath condominium units. The units can easily be converted back into a single residence or live in one and rent the other. The property exudes Old Santa Fe with rich wood flooring, vigas, 3 fireplaces and other classic touches such as decorative tile windowsills. Intelligently updated with air conditioning and other modern features without disturbing the look and feel of Santa Fe living in days past. The building has a basement and adjoins lush, park-like HOA maintained grounds. The welcoming portal and fenced-in private garden spaces allow for great indoor-outdoor living. Easy access to the Garcia and Canyon Road areas via public pedestrian access at the end of the cul-de-sac. Four (4) designated parking spaces complete this rare and precious offering.
